LOW COST SPAY/NEUTER PROGRAM UNDERWAY

April 17, 2010

We are pleased to announce the start of a new low cost spay/neuter program in conjunction with [All About Animals](#) out of Warren, Michigan. This program is designed to help area pet owners access affordable sterilization options for their cats and dogs. There are also subsidy programs available for low income pet owners.

TRANSPORT TO AND FROM APPOINTMENT IN LUXURY!

Pets are picked up at a designated location in Lansing with their brand new air conditioned/heated All About Animals purple van. Pets are then transported to their surgical facility in Warren to perform their surgeries. Pets are kept overnight and returned to the designated pick up location back in Lansing. Vaccinations, heartworm testing and heartworm preventative are also offered at truly discounted pricing.

This program is available to feral cats and ear tipping is available for ferals. Just let us know they are feral in advance. All pets also go home with a small tattoo on their underside to show that he/she has been sterilized.

For low income individuals, we ask you contact us directly to discuss your options. There are programs available to help you and your pets! Please call 517-993-8600 to find out more.

Visit our website to make online appointments [HERE](#) and please feel free to distribute our [FLYER](#) to those in need.

PET QUOTES

"He is your friend, your partner, your defender, your dog. You are his life, his love, his leader. He will be yours, faithful and true, to the last beat of his heart. You owe it to him to be worthy of such devotion."
