"Speaking For Those Without A Voice"

Old Friends and a New Group

We hope you will welcome us with open arms! We are your old friends that have started a new group with a new focus. [Voiceless-MI](#) is a Michigan non-profit (pending federal 501c3 status) started by a group of dedicated animal loving friends here in the mid-Michigan area (Ingham County/Eaton County area).

Many of our goals are the same, and some have changed. We still look forward to helping needy shelter animals, fostering, supplying animal shelters with needs outside their budget and emergency veterinary services. Our new goals include more public education and doing our part to help abolish [pound seizure](#).

We hope you will join us and help support us in our new venture! Plan on seeing more emails on how you can volunteer your time or donate. Together, let's make a difference for Michigan shelter animals and speak out for those without a voice.

Sincerely,

[Holly Sauve'](#) (Strobel) - President

[Julia Zielke](#) - Treasurer

[Beth Contreras](#) - Secretary
